Questions for reflection, study, and small groups:

1. What do you fear? How does the heart of the Father to give you His kingdom help with those things?
2. What does it mean to be on duty when the Lord returns? What are the duties of the Kingdom you think God has given to you?
3. Read Luke 12:37 out loud. What does it mean to you that we have a master who wants to serve us?
4. What is the relationship between our faithfulness to God's Kingdom on earth and our reward/position in eternity?
5. In verses 47-48, Jesus breaks down the punishment for those who knew better vs. those who didn't know better. This coincides with Paul's teaching in Romans 2. Is there anything you need to repent of to become a better servant of the King?
6. Pray that the Holy Spirit would help you be a faithful servant who is on duty until the Master returns.
