## Sermon Discussion Questions

Questions for reflection, study, and small groups:

- 1) What does your family tree look like?
- 2) What adversity or negative traits did you inherit through DNA or how you were raised?
- 3) What do these stories of God's "chosen people" tell you about God?
- 4) Why do you think these stories of the Patriarchs have fascinated people for thousands of years?
- 5) What about the stories of Jacob, Rachel, and the brothers gives you hope for your circumstances?
- 6) Pray that the Holy Spirit would continue His work to redeem messes in your family.
